I have read a copy of The Asthma, Allergy & Sinus Clinic (TAASC) Notice regarding Privacy of Personal Health Information. I am aware that I may request a copy of the Notice at any time. I authorize any holder of medical or other information, including personal health information about me to release to the Social Security Administration or its intermediaries, or carriers for Medicare claims, or to my insurance companies or their representative, any information needed to process any insurance claims. I authorize TAASC to delegate inspection of my personal health information for the purpose of determining if I may be a candidate for a potential new medication or research study. Such inspection may be conducted by a research organization not related to The Asthma, Allergy & Sinus Clinic. I understand that it is my responsibility to timely update all my demographic information. I further understand that it is the policy of TAASC to obtain payment for services rendered in a timely manner. I understand that services are billed on the date services are performed and cannot be canceled once performed. I understand that insurance payment may constitute a portion and not the whole of the payment owed to TAASC. I understand that a deductible may apply and that some services may not be covered. I understand that TAASC will try to help by verifying benefits when possible, but ultimately the responsibility to confirm that services are covered rests with me. Failure to fulfill the obligation to pay my portion of the bills in a timely manner will result in my account to be turned over to a collection agency. In that event, I understand that I will be responsible for any additional charges by the collection agency. I understand that it is the policy of TAASC to charge for missed appointments, unless cancellation was received at least 24 hrs in advance. I permit a copy of this authorization to be used in place of the original and request payment of medical insurance benefit either to myself or to the party who accepts assignment. I authorize TAASC and Roberto Di Nicolo, MD to obtain or release to, any medical records, test results, reports, from and to any other medical providers, hospitals, labs, x-ray facilities, to help with my medical care. All authorizations shall never expire, unless revoked in writing.
